

IN FIVE MINUTES NO SICK STOMACH INDIGESTION, GAS

"PAPE'S DIAPEPSIN" IN THE
QUICKEST AND SUREST
STOMACH RELIEF.

You don't know what upset your stomach—what portion of the food did the damage—do you? Well don't bother. If your stomach is in a revolt, if it sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a Little Pape's Diapepsin to neutralize acidity and in five minutes you wonder what became of the indigestion and distress. Millions of men and women today know that it is needless to have dyspepsia. A Little Diapepsin occasionally keeps the stomach sweetened, and they eat their favorite foods without fear. If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless antacid is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it stops food souring and sets things straight, so gently and easily, that it is really astonishing.

CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

"CALIFORNIA SYRUP OF FIGS"
CAN'T HARM TENDER STOM-
ACH OR BOWELS

As a laxative today's sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated or your child is listless cross, feverish, breath bad, restless doesn't eat heartily, full of cold or has sore throat or any other children's ailment give a teaspoonful of "California Syrup of Figs" then don't worry, because it is perfectly harmless, and in a few hours all this constipation, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "bowel cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

WESTERLY AND VICINITY

C. L. Higgins Appointed Enrollment Agent—War Savings
Committee Secures Headquarters—Farewell Reception
Tendered Rev. and Mrs. Leroy Farnsworth.

An act amendatory to the act con-
cerning jurors and jurors, has been
presented in the Rhode Island house
of representatives and referred to the
judiciary committee. As the law is at
present, all male citizens who are
twenty-five years of age and are prop-
erty owners, may serve as jurors. The
act introduced eliminates the property
qualification. No other state in the
union requires jurors to be prop-
erty holders.

At the present time there is no town
ordinance or state law concerning the
construction of sidewalks in Westerly.
Millions of men and women today
know that it is needless to have dys-
pepsia. A Little Diapepsin occasionally
keeps the stomach sweetened, and they
eat their favorite foods without fear.

It is expected that the passage of
the amendment will result in more sub-
stantial and uniform style of side-
walks in the compact part of the town.
It is probable that provision will be
made to have long stretches of side-
walks built each year, and in due
time Westerly will be as proud of its
sidewalks as of its attractive civic
center.

The plan suggested for Westerly has
been adopted in New London and with
remarkable success. There were op-
ponents to the proposition at the start,
and although thirty-two miles of
granolithic sidewalks were laid the
first year, there is popular demand for
more sidewalks on the fifty-fifty plan.
Once constructed the city of New Lon-
don provides for maintenance.

C. Leo Higgins has received the fol-
lowing communication from the United
States Public Service Reserve, De-
partment of Labor, Washington, D. C.

You are hereby commissioned as an
enrollment agent of the Westerly State
Public Service Reserve in the state of
Rhode Island for the district of West-
erly.

You are authorized to enroll mem-
bers to attest certificates of enrollment
of members, to distribute buttons, and
to exercise such other powers as may
from time to time be delegated to
enrollment agents by the director of
your state.

As such enrollment agent you will
act under the instructions of the fed-
eral director of the reserve for your
state.

The communication is signed by
William E. Bell, national director, and
attested by E. A. Burlingame, state
director.

There are federalized national
guardsmen in Rhode Island who op-
enly declare against the drafted man,
and with more bitterness than do
some regular army soldiers against
the guardsmen. But the time is com-
ing when all soldiers will be classed
as being on the same level.

Private Walter B. Allen, of East
Greenwich, a drafted man, is reported
by General Pershing as having died
of pneumonia in France, although he
entered the military service only after
some of the guardsmen died. He was
certified for service September 6, went
